Work History

Feb 2024 - **Freelance Video Editor**

Current

Self-employed, Sidi Bel Abbes, Algeria

- Created short-form videos, animated gifs and motion graphics for social media posts.
- Delivered edits on time for reviews and final delivery.
- Combined text, video and other composited elements onscreen to create logical, coherent layouts.
- Enhanced video quality by applying color correction, grading, and special effects techniques.
- Contributed new ideas and looked for ways to improve content editing and processes.

- Improved client satisfaction by delivering visually engaging content tailored to their specific needs and preferences.
- Designed custom graphics and animations to enhance visual storytelling in video productions.
- Organized and worked with raw footage from multiple cameras and sources.
- Maintained organized digital archives of raw footage, final edits, and other assets for easy access and retrieval.
- Developed creative solutions for complex editing challenges, enhancing the overall narrative impact of videos.
- Conceived, crafted and executed dynamic video edits to captivate target audiences and accomplish project objectives.
- Managed multiple projects simultaneously, meeting strict deadlines while maintaining high-quality results.
- Adapted quickly to changes in project scope or direction by revising edit decisions based on updated creative briefs or client feedback.
- Understood director's artistic vision and maintained alignment with vision throughout editing process.
- Delivered polished presentations of completed work during client reviews, explaining editorial choices and addressing any concerns or suggestions.
- Created and reformatted content across various social media and digital platforms.
- Created titles, captions, graphics and templates in After Effects to give edits additional visual flare.
- Enhanced audience engagement by meticulously editing video content to align with viewer preferences and trends.
- Customized soundtracks, selecting music and sound effects that complement visual elements.
- Streamlined the editing process for faster turnaround times by utilizing advanced software tools.
- Worked tight deadlines with team or independently and made quick creative editing decisions to maintain high quality of work.
- Reduced project completion time by implementing efficient workflows and prioritizing tasks effectively.
- Saw concepts through to completion by working to develop final edits, color and other elements in post-production process.
- Evaluated and selected scenes for pacing, entertainment value, and continuity, trim shots and edit content.
- Managed multiple video projects simultaneously, maintaining high-quality output under tight deadlines.
- Analyzed viewer analytics to guide editing decisions, ensuring content resonates with target demographics.
- Tailored content for various platforms, optimizing videos for social media, television, and digital advertisements.
- Prioritized tasks effectively, meeting all project milestones and adhering to editorial calendars.
- Generated creative ideas to improve look and feel of projects.
- Created special effects and transitions to improve overall look and feel of project.

- Revised footage according to producers' and directors' requests.
- Managed multiple projects simultaneously to meet deadlines.
- Reviewed and approved other editors' work to maintain quality of final product.
- Monitored footage throughout editing process to maintain quality control.
- Edited feature-length films and television shows to meet desired quality and style.
